

Achievements in the History Curriculum

The department has a record of excellent results at both GCSE and A Level. This was seen again in our results from this summer in which at GCSE 40% of students achieved a grade 8 or 9, and 75% achieved a grade 6 or above. Similarly, at A Level, 42% of students achieved an A or A*.

Students recognise the hard work and dedication of the History team that goes into supporting students to achieve these excellent results.

“I have received my results and have gotten into Cambridge with an A in History. I just wanted to thank you so much for all the help you gave me. I will always appreciate all the kindness and faith you showed in me.”*
