Pupil Premium Policy

Vision and Values

Bristol Cathedral Choir School is shaped by the Christian vision: Gathered together, that all may thrive. Underpinned by the core values of kindness, courage and hope all students are encouraged to discover and achieve their full potential. BCCS is a community that values and celebrates diversity in which everyone has a unique role to play.

Context

Publicly-funded schools in England get extra funding from the government to help them improve the attainment of their disadvantaged pupils. Evidence shows that children from disadvantaged backgrounds:

- generally face extra challenges in reaching their potential at school
- often do not perform as well as their peers

The pupil premium grant is designed to allow schools to help disadvantaged pupils by improving their progress and the exam results they achieve.

Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible.
- Set out how the school will make decisions on pupil premium spending. Summarise the roles and responsibilities of those involved in managing the pupil premium in school.
- Legislation and guidance
- This policy is based on the pupil premium conditions of grant guidance (2017-18), published by the Education and Skills Funding Agency.
- It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium. In addition, this policy refers to the DfE's information on what academies should publish online, and complies with our funding agreement and articles of association.

Purpose of the Pupil Premium grant

The Pupil Premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support any pupils with parents in the armed forces. The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to accelerate progress, raise social and academic capital and ensure healthy well-being.

Eligible pupils

The Pupil Premium is allocated to schools based on the number of eligible pupils in years 1-11 in each school. Eligible pupils fall into the categories explained below.

Ever 6 free school meals Pupils

- Those pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance). This includes pupils first known to be eligible for free school meals in the most recent January census.

Looked after children

- Defined in the Children Act 1989 as pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

Previously looked after children

- Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

Ever 6 service children

- Those pupils with a parent serving in the regular armed forces who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- Those pupils in receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

The PPG per-pupil rate for 2020 to 2021 is as follows:

Ever 6 FSM Pupils (years 7-11)	£955
Looked-after children (LAC)	£2,345
Previously Looked after Children (PLAC)	£2,345
Ever 6 Service children service premium per pupil	£310
