

# Y8 HOMEWORK

Homework is an opportunity to practise skills and extend your learning. It builds responsibility, confidence and good working habits.

Each piece of homework will last 30 minutes, teachers will set the work on google classroom.

## How to be successful...

- Make sure you understand the task when it is set; ask your teacher if you are unsure.
- Be organised - use your google classroom to-do list to prioritise your work.

- Put your phone away before you start to help you focus.
- Use spare homework time to review, improve and extend your learning just like you do during SIT.
