

Y13 Mock Timetable

January 2024

When you return from the Christmas holidays you will have your mock exams. Your teachers will talk to you about these assessments in lessons and leave information on your Google Classroom. These mocks are an opportunity for you to check that your revision is working and effective, but do remember *the results are not your final grade*. This will provide you with an opportunity to refine and reset your revision in preparation for the May exams.

As you prepare yourselves, remember to focus your energies on activities that improve understanding, improve retention and improve application. Talk to your tutor if you have any questions or particular worries; all school staff want you to have a positive experience.

Students will line up in the square beside the Cathedral Arches (the West End quad by the Gatehouse) 15 minutes before exam start times.

Candidates with Small Group Invigilation and some candidates with extra time (you will be contacted directly) will be informed of their exam location closer to the date. Those students will meet Mrs Hudnott in front of M003/ Sixth Form Reception 15 minutes prior to the exam.

Date	Subject	Length	Start time	Location
Thursday 4th January	Art	All day	9:00	TBD
