### KS3 & KS4: Additional Equipment

- Boots are required for all students.
- *(Football boots appear to be a bit more versatile if you do not wish to purchase both rugby and football boots)*
- *Trainers - there are no specifics for the colour or material but they should be supportive and fit well rather than 'fashion' trainers*
- Students will require a **gum shield** and **shinpads**.

**Side note - Double PE:** Failand experiences a variety of weather conditions through autumn, winter, spring and summer. Please make sure your child has the correct clothing to suit the weather on the particular day. This means they may require a raincoat, sun hat, thermal leggings/top, depending on the weather. We do recommend checking the weather on the morning of their Double PE lesson to make sure that your child has the correct clothing. We expect that the top layer is BCCS PE clothing.

## Equipment For All Students:

(Most items are available in the stationery shop in the library) ✓ Sturdy school bag ✓ Pencil case ✓ Pens (including black for examinations and a green pen for SIT) ✓ Pencils and pencil sharpener ✓ Coloured pens/pencils and highlighters. ✓ Rubber ✓ A compass ✓ Glue stick ✓ Small scissors ✓ Calculator ✓ Circular protractor ✓ Ruler ✓ Water bottle (these can be refilled at various water fountains throughout the school site) ✓ a set of drawing pencils (B, 2B, 4B, 6B) ✓ personal headphones for music and reading book.

**Scientific Calculators:** In Maths and Science a scientific calculator is required. Any scientific calculator will be ok but we recommend the following models:

1. Casio fx-83GT CW or fx-85GT CW. These calculators are the same except the 85GT has a solar power so the batteries will last longer. These calculators are great for Y7-Y11 including GCSE higher tier.

2. Casio fx-991 CW. These are more expensive and aren't necessary for years 7 - 9. This calculator is needed for higher tier GCSE and A Level. Look for second hand models online - the old model white 991 CW is also good if you can find it on sale.

For reference, these can be found at <https://www.casio.co.uk/calculators/education/scientific> but you will find them cheaper elsewhere.

## Lanyards

Students will be issued with an initial free lanyard and access card; this needs to be worn at all times around their neck. This is for identification purposes for both staff, students and visitors and allows secure access to the school site. The card will hold any credit applied through ParentPay for payment of school meals. It will also be needed for printer access.

If the lanyard is lost or damaged, it will need to be replaced at the student's expense. A new card costs £2.50, the holder costs 50p and a lanyard costs £3.00. Purchases may be made via ParentPay.

If pupils arrive at school in inappropriate or incorrect uniform they may be lent uniform, sent to study in the Behaviour Support Unit or sent home to change (after parental contact). The Headteacher's decision is final.
