

Y11 HOMEWORK

Homework is an opportunity to practise skills and extend your learning. It builds responsibility, confidence and good working habits.

Each piece of homework will last 45 - 60 minutes, teachers will set the work on google classroom.

How to be successful...

- Make sure you understand the task when it is set; ask your teacher if you are unsure.
- Be organised - use your google classroom to-do list to prioritise your work.

- Put your phone away before you start to help you focus.
- Use spare homework time to review, improve and extend your learning just like you do during SIT.
